# Survey Identity

**Conducting body:** aboutpeople (member of the Register of Bodies and Companies of Polls of the Department of Audit and Transparency of the National Council for Radio and Television - Register number 58)

**Assigned by:** ETERON. Institute for Research and Social Change

**Sample size:** 1876 men & women aged 17+

**Survey time period:** 9-10 September 2025

**Geographical sample area:** Nationwide - Greece

**Sampling method:** Online panel

**Data collection method:** Self-completion online interviews with a structured questionnaire (Computer Assisted Web Interview - CAWI)

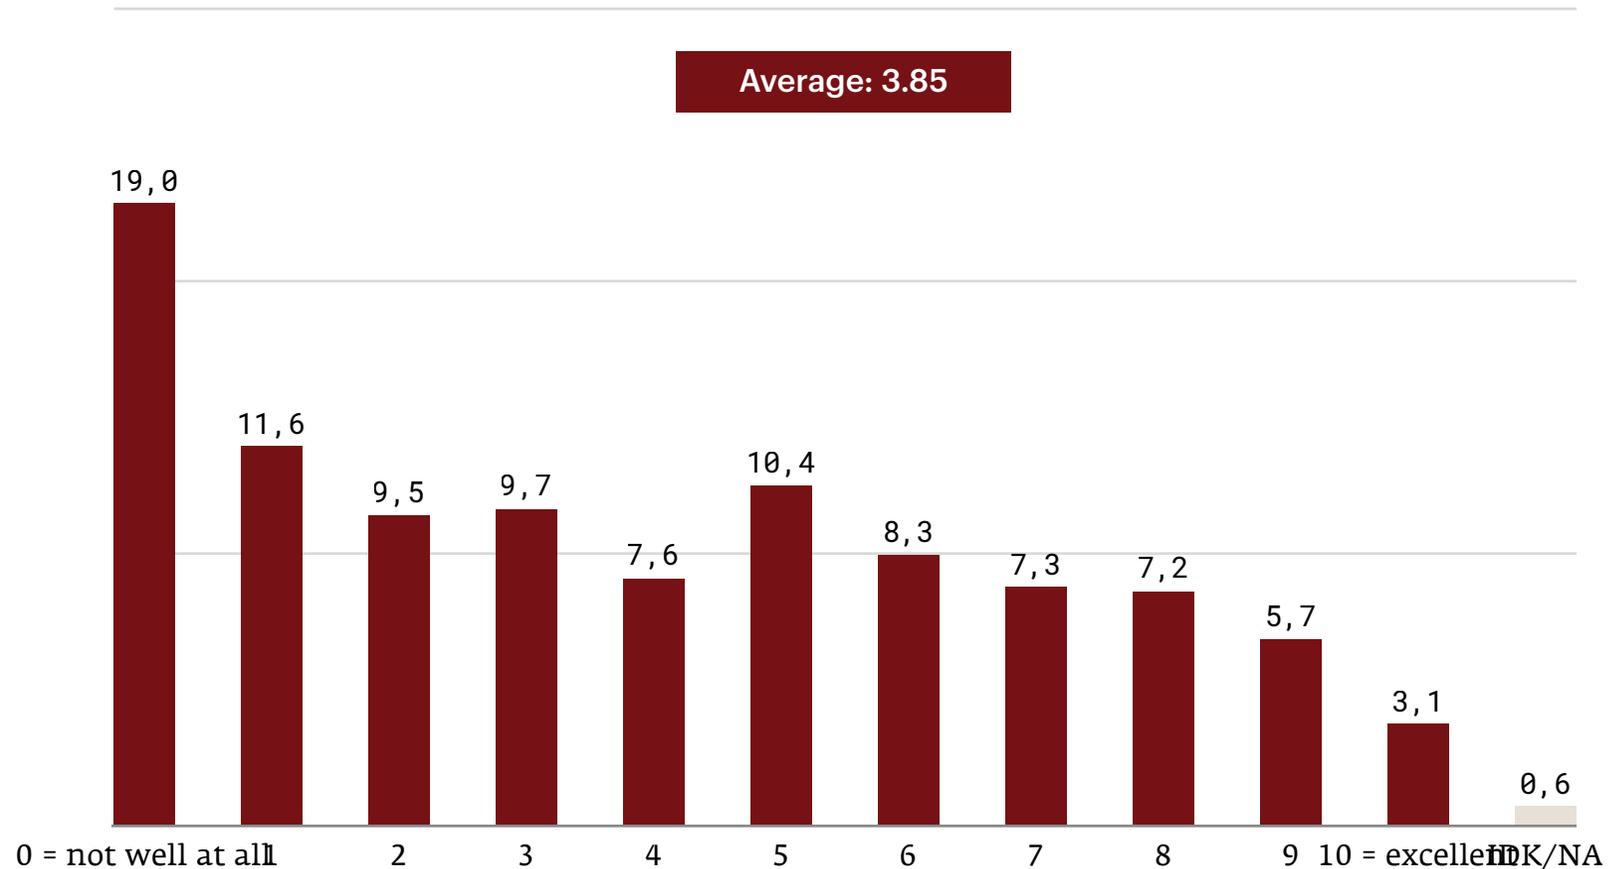

**Controls::** Completeness control ratio 100%

**Statistical error:** Maximum error 2.2% at 95% confidence interval

aboutpeople is a member of the Association of Greek Market and Opinion Research Companies (SEDEA) and the European Society for Opinion and Market Research (ESOMAR) and adheres to the regulations of Data Collection Quality Control and the international codes of conduct and publication of public opinion polls

Survey findings

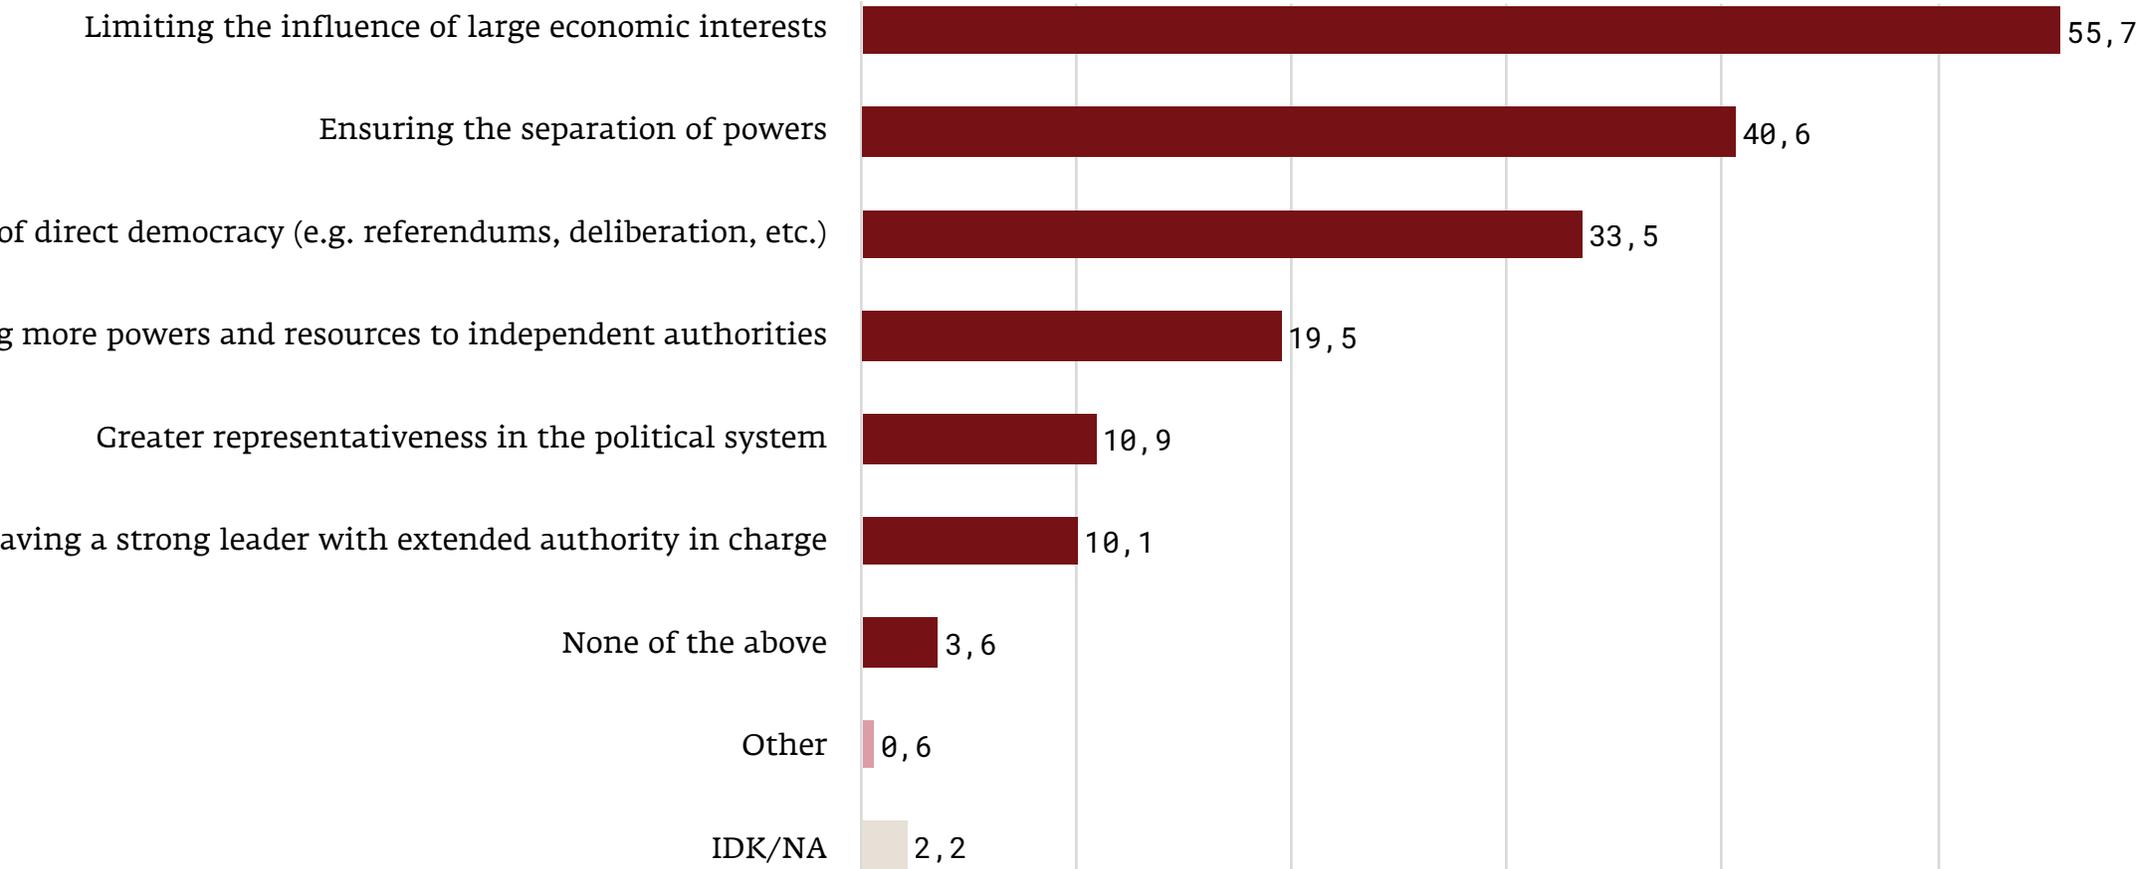

On a scale of 0 to 10, where 0 stands for "not well at all" and 10 stands for "excellent", how would you rate the way democracy functions in Greece today?

On a scale of 0 to 10, where 0 stands for "not well at all" and 10 stands for "excellent", how would you rate the way democracy functions in Greece today?
